## BEHAVIORAL HEALTH

## LACK OF ACCESS TO CARE

Not enough behavioral health providers, especially for children

Insufficient insurance coverage for behavioral health services

Health disparities based on race and socioeconomic status

## MENTAL HEALTH NEEDS

## Reasons for not accessing mental care:

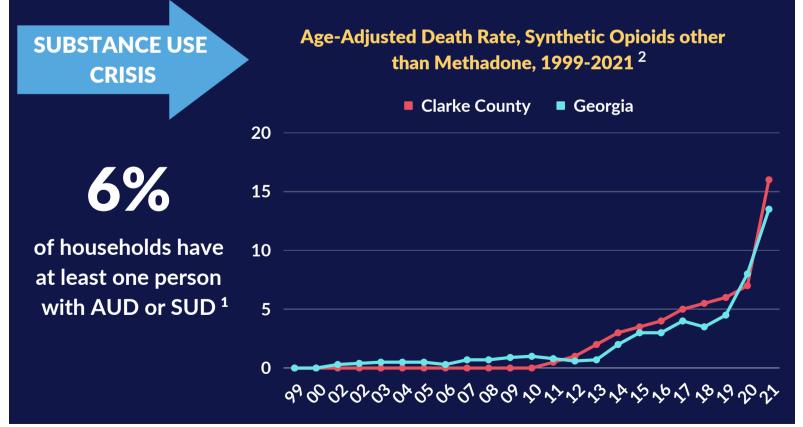

- Stigma
- Lack of Insurance Coverage
- Inability to find provider

of households have had at least 1 person diagnosed with anxiety or depression

of households needed mental care last year & did not receive it

1. Alcohol Use Disorder (AUD) and Substance Use Disorder (SUD) 2. Age-Adjusted Rate per 100,000 population For more information go to www.athenswellbeingproject.org or contact us at rbaskam@uga.edu
